Julley!

It's great that you have chosen to opt for a homestay trip as it's the best way to experience life in Spiti.

Spiti Valley Budget Homestay Trips have been created keeping in mind people who want to visit Spiti but are on a budget or limited time but still keen on experiencing the marvellous sights of the valley and experiencing local culture.

For your convenience we have provided you with trip options as well as cost options. For each trip you will have two cost options to choose from.

<u>Option A</u>	<u>Option B</u>
You take the bus to Spiti and back on your own and we provide you with stay (homestay), food (breakfast and dinner) and transport within the valley.	We provide you with transport for the entire trip from Manali and back along with stay (homestay), food (breakfast and dinner).

Once you have zeroed in on a plan but want further customisations, you can let us know and we can have it organised for you.

Disclaimer: You will need to be in Manali 1 day before your trip to Spiti to acclimatise, else there is a high chance of you facing high altitude sickness along the way.

Looking forward to hear from you.

Team Incredible Spiti.
